

# Come Walk on Air!

## The AlterG® Anti-Gravity Treadmill®

The AlterG Anti-Gravity Treadmill is touring the country defying gravity one stop at a time.

- The AlterG uses NASA's patented Differential Air Pressure technology to unweight you
- It allows you to walk/run at just a fraction of your body weight without the stress and impact to your joints
- Use the AlterG to safely and comfortably rehabilitate after injury or surgery, to lose weight, and to boost your physical fitness level

The AlterG Mobile Showroom will be coming to

**Pennsylvania in May!**

### Find us at:

Bucks Physical Therapy  
100 Almshouse Rd.  
Richboro, PA 18954  
Thursday, May 30, 2013  
1:00 PM – 6:00 PM

### Contact:

Michael Autodore
